Dominic and Renee,

Here's a shot of the two of you in action at our wedding last month. In planning for our big day, we worked with a lot of vendors who talked the talk, but only DJ Sound & Lighting exceeded our expectations. You had us and our guests engaged, dancing and really enjoying ourselves. That was most important to us and we appreciate all that you did to help make that come true. You guys are awesome!

Best regards,
Carr & Beruice HO
